

"Life Power" by Katrina Belamide *

It's all about giving, it's all about trust
It's all about people, it's all about us
It's all about being human and having a heart
It's all about being human and playing your part
It's all about healing, it's all about life
It's all about helping the weak survive
It's all about being human and able to care
It's all about being human and ready to share

CHORUS:

We're talking
LIFE POWER, Red Cross power
The power to be the best that we can be
We're talking
LIFE POWER, setting us free
Red Cross is life power
The power of humanity

It's all about searching and opening doors
It's all about dreaming for those who dream no more
It's all about being human and being fair
It's all about being human and being there

(chorus)

BRIDGE:

There's a little bit of good in everybody
There's a little bit of good in everyone
This is the power of humanity
The Red Cross spirit in you and me

(chorus)
